If You’re Leaving Your Employer, Do You Know Your 401(k) Options?

At Edward Jones, we can explain options for your 401(k), including leaving the money in your former employer’s plan, moving it to your new employer’s plan, rolling it over to an Individual Retirement Account (IRA) or cashing out the account subject to tax consequences. We can help you review your options so that you can select the one that’s best for you. If you decide to roll it over to an Edward Jones IRA, we can help.

FISHING IS IN OUR NATURE.

You’d rather be up at 4. On the water by 5:30. Trying to land “the one” the rest of the day. If that sounds like the perfect day, then discover why Kentucky Lake has more great fishing days than most other lakes in the country. It’s time you found out what makes Kentucky Lake so great.

community

Webster defines *community* as “a group whose members reside in a specific locality and often have a common cultural and historical heritage.”

We couldn’t have said it better ourselves, but we’ll give it a try:

HERITAGE BANK shares this community with YOU.

We love being a part of the lives of our customers and their families.

We are proud to be a part of this community. And we are grateful that, for more than a century, families and businesses just like yours have chosen *us* to be their banker and neighbor.

Our local businesses keep Marshall County going, and our support of them ensures that Marshall County remains a viable and progressive Community!
When it comes to your health, delivering the best care is our top priority. We’re proud to be the region’s only acute care hospital to earn a 4-star rating from the Centers for Medicare and Medicaid Services. This is a strong endorsement that we’re offering the care our patients expect and need. Murray Hospital ranked highest in our region for a number of standards including communication, cleanliness, pain control and room quietness. And we’re the only hospital in our region to earn a grade “A” Leapfrog Safety Rating. We always say at Murray Hospital, We Specialize In You. And it’s true. We’re here to make a difference Together, For You. For more information about our services, call 270-762-1100 or visit murrayhospital.org.
